AMENDMENT UNDER 37 C.F.R. § 1.114(c) Attorney Docket No.: Q63675

U.S. Application No.: 09/807,608

REMARKS

Claims 36-39 are all the claims pending in the application, each of which is amended as

discussed in the interview with the Examiner and SPE on November 6, 2007. Submitted

herewith is a Statement of Substance of Interview summarizing that interview.

Claims 36-39 are rejected under 35 U.S.C. § 103(a) over Okajima (JP 402093781) in view of

Amirpanahi U.S. 5,648,906). Applicant amends the claims to make it clear that the increasingly

higher variable price per time increases as time progresses. As the examiners agreed in the interview

neither Okajima nor Amirpanahi, alone or in combination, teach or suggest this feature.

Accordingly, it is respectfully submitted that claims 36-39 are patentable over the prior art.

In view of the above, reconsideration and allowance of this application are now believed

to be in order, and such actions are hereby solicited. If any points remain in issue which the

Examiner feels may be best resolved through a personal or telephone interview, the Examiner is

kindly requested to contact the undersigned at the telephone number listed below.

The USPTO is directed and authorized to charge all required fees, except for the Issue

Fee and the Publication Fee, to Deposit Account No. 19-4880. Please also credit any

overpayments to said Deposit Account.

Respectfully submitted,
